

**Anyone of sound mind, familiar with Silicon Valley, knows that there is no way a person over 80 years old can get a job in web design here, and that The Art Institute of Pittsburg –online committed EXTORTION.**

**De Anza College is a 20 minute drive from my residence and offers Web Design, HTML, and Graphics**

**I could have attended classes at The Art Institute of Sunnyvale, which is also a 20 minute drive or less.**

**There is no way that Hank Doss of The Art Institute of Pittsburg –online was not aware of this. I was not.**
